IRONTON SCHOOLS.
Mr. J. B. Beech of Ashtabula County
has taken charge of the public schools
of this place.

Mr. Beech is a most thoroughly edu-
cated man, and long since selected the pro-
fession of teacher, which position he has
for several years sustained, with eminent
ability and credit.

We therefore congratulate the Board
of Education upon their success in se-
curing a Superintendent so well qualified;
and so likely to give credit and charac-
ter to our public schools.

Bates' Poems.
We have received a very new little
volume of Poems by DAVID BATES; pub-
lished by Lindsay & Blackiston, Phila-
delphia, Pa., from which we shall occa-
sionally make some extracts. The style
of the writer shows a just appreciation of
classics, and conditions in society—
while there is a deep vein of humanity
running through the entire work, that
will involuntarily claim from the reader
an attentive and careful perusal.

Robbery.
We understand that the jewelry shop
of Jas. R. Ford adjoining the Buckeye
house, was entered by a burglar at the
back window, about the time the alarm
of fire on Sunday evening and four gold
watches with chains abstracted. No
trace of the thief has been obtained.

FIRE.
On Sunday evening the usual quiet
of our neighborhood was disturbed by the
cry of fire, which was soon discovered
to be in the chamber of the "Times" of-
fice. The fire doubtless originated by
the ignition of some matches lying on a
chair near the stove pipe, which com-
municated to a bed, that had been im-
prudently placed too near the pipe. The
timely assistance of numerous citizen-
soon suppressed the fire, with the bare
loss of the bed.

Protracted Meeting.
The protracted meeting at the Spencer
Chapel, mentioned a few weeks since,
still continues, retaining its usual inter-
est. Between 80 and 100 have been ad-
ded to the church.

Flouring Mill.
We were shown through the Ironton
Flouring Mills recently by one of its
proprietors from whom we learned that
with their present facilities they were en-
abled to grind about 100 bushels per 24
hours. The mill has been erected and
put into operation at an expense of near
\$16,000, and when completed will have
four run of stone, for grinding, and all
of the recent improvements for the man-
ufacture of the best quality of flour, spe-
cially packing and preparing for market,
so that they may successfully compete with
all establishments of the kind. They
now have on hand some 8,000 or more
bushels of wheat, and an agent constant-
ly employed in collecting more.

**Arrival of the Steamer Illinois and
Prometheus.**
New York, Nov. 29.
The steamers Illinois and Prometheus
from Aspinwall, arrived here last night,
bringing the mails from California to the
11th. Among the passengers by the Il-
linois are A. B. Corwin, late Consul at
Panama, Gen. Lane, member of Congress
from Oregon, but contrary to expecta-
tion John Mitchell is not among the passengers.

The Illinois had \$1,100,000, inclu-
ing that in the hands of passengers.
The steamer Prometheus arrived at 1
o'clock. She brings 650 passengers ac-
companying whom is John Mitchell, the Irish
Patriot. She has \$1,754,000 in gold on
freight.

The happiest period in a man's life is
when he has a pretty little wife, one
beautiful child, more ready cash than he
knows what to do with, a good con-
science, and not even in debt to a prin-
ter.

In 1852, gloves were imported into the
United States to the amount of \$1,324,
700.

**SULLIVAN'S
MONSTER ORCHESTRA.**

Wherever Sullivan's name is known, the
"Katy Did" Polka has an unrivaled
popularity. There have been more copies of
this piece sold, for the short time it has been
issued, than any other musical composition ever
published in America. Sullivan's "Katy Did" is
the only piece of music that has not only been
played in the halls of the White House, but
in the numbers of the great of the world. It is
the only piece of music that has been played
in the White House, and it is the only piece
of music that has been played in the White
House. It is the only piece of music that
has been played in the White House, and it
is the only piece of music that has been
played in the White House.

Ironton House.
Corner of Pearl and Railroad Streets
opposite the Depot, and contiguous to the
Steamboat Landing.

IRONTON, OHIO.

HAVING just opened the above well known
house of entertainment, I am prepared
to entertain travelers and boarders.
The Ironton House is pleasantly situated—af-
fording one of the finest views of part of the
river, and is very convenient to the business
part of the town, and is comfortably arranged
for the reception of boarders and travelers, who
will be accommodated with neat, wholesome, airy
rooms, as well as to preserve the health and
enjoy the comfort of its inmates.

The public will be assured that no effort
will be wanting on my part to give the most
satisfactory accommodations, and to make the
house as agreeable as possible.

Substantial accommodations, of the very best
quality, and convenient to the house have been
secured at the lowest rates, and will be
certain that their horses will be well fed and
receive the kindest attention.
